See the next page for more valuable information.

Hello Music Makers families!

- **Parking is restricted on the street directly beside and in front of the church, but it is fine to park along the side of Crescent Heights High School which is kitty-corner to the church. There is also a parking lot behind the church which can be accessed from the alley. Please do not park directly across the street from the front door of the church as it is a private residence, and we strive to maintain good relations with the neighbors in the community! Also, we encourage everyone to cross at the corner rather than jaywalking as the street can be busy and some drivers go very quickly.**
- **The front door of the church will routinely be the entrance for your child for each class, and someone will be at the door to greet them. You are welcome to see them in the front door and leave the building for the 40-minute class or you can wait in the building. We do need to keep the noise level down as it can carry into the choir rehearsals, so we may remind people of that from time to time.**
- **On arrival to the class, the children will be helped to remove their boots and winter wear if applicable. The Music Maker's helpers will help the children get their jackets and boots on again at the end of class.**
- **When class ends, parents can meet their child in the hallway outside the classroom.**
- **Music Makers 2 children participate in 2 formal performances, one in December and one in May. Please bring them in a white or black T-shirt and black bottoms and black shoes for those performances. They will be given a red Calgary Children's Choir (CCC) t-shirt to wear over their t-shirt.**
- **You may participate in the first class with your child if they are feeling uncomfortable. Also, if you would like to try the first class before making a commitment let us know.**
